

ADD YOUR NAME TO THE PATH OF FAITH

Join MACC's mission to empower and educate leaders for service in a culturally diverse Church and society by becoming a lasting part of the MACC campus.

As you walk the pathways that surround the *Shrine of Our Lady of Guadalupe and San Juan Diego*, you can read the names of MACC supporters permanently etched in brick. These bricks memorialize and celebrate the diversity and breadth of MACC's family and benefactors.

Years from now, as visitors of MACC walk the grounds, they will see the incredible support of those who believed in Hispanic ministry and paved the way for MACC's legacy.

TWO OPTIONS AVAILABLE:

8" x 8" brick can accommodate six lines of text with a maximum of sixteen (16) characters of space per line at \$250.00.

4" x 8" brick can accommodate three lines of text with a maximum of sixteen (16) characters of space per line at \$100.00
